

HALO PHANTOM

ILLUMINATE CANADA

Stay Lit with Halo Efoils - Reserve Your Phantom Today

One Phantom Per City

This summer Halo Efoils is launching the Illuminate Canada Campaign. The goal is to introduce the Halo Phantom city by city across Canada and feature participating riders and businesses on the official Halo Phantom map as the network begins to light up across the country.

Limited Founder Allocation.

[Reserve Your Phantom Today →](#)

Phantom 5'5

All Around / Beginner Friendly

Stable and confidence inspiring. Perfect for learning, families, and riders who want a smooth forgiving ride.

Phantom 4'10

Performance / Advanced Riders

Designed for tighter turns, faster response, and a lighter agile feel on the water.

Ride Experience

Owning a Halo Phantom delivers more than just an incredible ride. With advanced engineering, integrated visibility technology, and a stable high performance design, riders experience a new level of confidence and control on the water. Owners also receive a professional drone filming session, edited riding footage shared across Halo social media, and a personalized two hour Free training session at eFoil Bay in Kelowna, British Columbia. Riders will also be showcased on the Halo website as part of the Illuminate Canada map as the Phantom community lights up cities across the country.

Training & Certification

Halo Phantom owners have the opportunity to advance their skills through a structured training pathway designed to build confidence on the water. Riders can access step by step training from beginner to instructor level, along with a 15% discount on the Halo instructor certification program. The certification pathway aligns with Transport Canada recognized training practices and helps riders expand their knowledge while progressing safely and professionally.

Community & Ownership Benefits

Becoming a Halo Phantom owner means joining a growing community of riders and innovators across Canada. Owners gain access to the Halo rider network, community events, and exclusive updates as the Illuminate Canada campaign expands. Additional benefits include access to personalized insurance guidance along with personal and commercial insurance options, plus affiliate referral rewards when riders you introduce purchase their own Phantom.
